

Module: m/01/104

'Configuring the terminal enquiry service...'

*The terminal enquiry agent service performs **one** task:*

- Processing all enquiries made at the timeware terminals.

Please note that this service requires configuring through the Advanced Users Terminal Enquiry Agent option within the main timeware® application.

The Terminal Enquiry Agent icon looks like this:

The Terminal Enquiry Agent will not work until you start this service, (see module m/01/008).
